What is our goal for Believe Weekend?

Our theme this year is, **Bear Fruit**, out of John 15. No matter the circumstances of life, through Jesus we can walk in the Fruit of the Spirit and let the love of Jesus make a difference in our lives.

How can I pray for the weekend?

- That God's hand would be on the weekend
- That the Holy Spirit would begin to move in the hearts of students right now
- That students would come to know Jesus for the first time or in a new way
- That everyone will stay healthy leading up to and during the weekend
- For the volunteers
- For the God to move during the main sessions
- For the speaker and band
- For the leadership team
